

STUDIO N°7

Tailored graphics
for your business

WE ARE
A CREATIVE
DESIGN STUDIO

DESIGNING WITH A PURPOSE

Providing services with determination and ambition to build trusting, valued relationships

We are passionate about the designs we create and the work we produce

Creating tailored, innovative graphic solutions

Every project, big or small, is treated with the same care and attention

Our business is our passion. Design, colour and creativeness lie at our core and we're proud of our reputation for originality. Our enthusiasm for fresh design means we always aim to provide tailored products for our clients. We generate deliverables of a high standard to ensure a positive visual impact that enhances goods and services.

Our focus is to help your business use design to its advantage to create strong branding, alluring print and digital design with an edge.

We offer efficient, friendly and professional customer service, working closely with our clients to develop the most effective

ideas and concepts. The most appropriate media and styles are combined to ensure we communicate your objectives with a strong and unique brand identity.

We are based in Aberdeen and work with both UK and overseas clients to produce high quality graphic design. We believe that our extremely attractive design rates are great value for money that will show return through the elevation of your brand.

We have experience in delivering eye-catching graphics, field development schematics and formats for exhibitions, events and digital platforms.

GRAPHIC DESIGN, BRAND SOLUTION AND PRINT

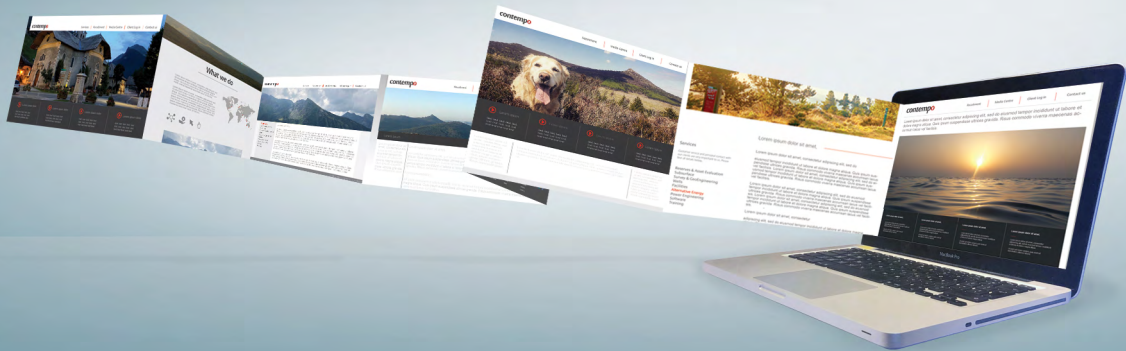

Studio N°7 is not just a graphic design agency, it is a platform that assures satisfaction through top quality design and branding solutions. Create the right impression... designing a brand is not just a logo, it is a foundation on which a business can build upon.

Our experience allows us to offer a wide range of services including graphic design, brand identity, advertising, infographics, newsletters, annual reports, presentations, magazine and brochure design, exhibition and displays. Studio N°7 can help you create a stand-out visual identity to grow your business. We can support your project from creating ideas and concepts through to launching the final designs for print.

Our creative skills combined with our industry knowledge allow us to provide tailored graphic solutions for your business.

Jamie Watson, Creative Director

WEB DEVELOPMENT AND DIGITAL DESIGN

Studio N°7 offers professional website design and build service, enabling your business to reach a wider audience. We aim to provide a fully bespoke website design service built around you and your business.

We work with our clients to help them identify their website goals, develop content and build effective, user-friendly solutions. Whether you are looking for a simple website, a bespoke content management system, e-commerce package or social media and digital advertising, we have a solution for your business requirements.

Let's get creative. Get in touch today.
